DID I PLAN TO CHEAT -- NO

DID I REGRET DOING IT -- NO

WOULD I CHEAT AGAIN -- YES

TIMES I HAVE CHEATED -- SIX

I started fucking after I finished college. Yes, I stayed a virgin throughout high school. In college I would give hand jobs and blow jobs and even let a finger or two in my pussy, but no cock until I was married. And then, once I was, I couldn't get enough. My husband couldn't give it to me as often as I wanted it so I strayed. Yes, I found cock outside the marriage. It was a good thing.

I know that when I took my wedding vows, I pledged loyalty, but that was a year ago. Somehow I don't remember that having to be the rule for my entire life. And, apparently my hubby's either. He started it and I decided to finish it. Now I'm cheating, he knows it, and things could not be better.

One night I came home early and found my mother in bed with another woman. I was shaken. Even at 22 that rattled me. After the lady left, I sat down with her and we had a real long talk about sex and fidelity. About mentally justifying extramarital sex in a marriage. About being stuck in a sad relationship with no light at the end of the tunnel. I have never mentioned it, until now.

what did you say needs fixin'?

Yes, this is a true story. When I was in high school, I never really applied myself. A couple years after I graduated, I started working with the school's maintenance man, Henry. We would fix things around the school, like lockers, faucets, broken desks and stuff. On occasion some of the teachers would stay late, and I got to know most of them pretty well. Henry also seemed to like my work. We had a system worked out so that we worked hard through the week that when Friday came, we could work maybe a couple hours and be done.

One Wednesday afternoon Henry and I were almost finished when Henry somehow cut his hand really bad. I wasn't with him at the time but I heard him yelling my name and I came running. It was so bad that I took him to the hospital immediately. On Thursday, I got called into the office for a message from Henry saying that he would not be able to work and that I would be on my own, and to lock down the building. Ms. Schaeffer, the office clerk, looked at me as I finished reading the note and

asked if all was alright and if I would be able to get everything done tonight without Henry. I told her I thought so but she said she would stay and help if that

always looked at me in a way that gave me a boner.

After school I met with Ms. Schaeffer and told what we had to do. I quick-

would be okay and I told her it would.

Now Ms. Schaeffer is like the school secretary. She was in the front office and knew everything that was going on. She had shoulder length brown hair, a nice figure and a really sweet demeanor. She had to, dealing with all the kids, their parents and the staff. She was always very nice to me and seemed to like me, she

ly checked the building to make sure everyone was gone and locked all the doors. Then me and Ms. Schaeffer went to work. We finished in a little over an hour. We sat down in the hall, she had brought some sandwiches and a couple of soft drinks. It was like a little picnic.

We ate and talked and laughed. She said her husband was out of town and

she did not have to be home any time soon. I told her I did not have to be home either. As we talked Ms. Schaeffer kept touching me, and laughing at every little thing I said, even if it was not funny. Then we got to talking about something when out of the blue she asked if I had a girlfriend. I told her no, that I wanted to play the field. She said she had played the field for a little bit also.

She then said she wanted to reward me for the hard work I have always done but I would need to keep the reward a secret and never ever tell anyone. I promised her and waited for my reward not knowing what she was about to do. She then asked me if I ever seen a woman naked? I told her my mom every once in a while.

She then asked if I wanted to see her naked and I thought for a minute and said 'yes.' She stood up and removed her shorts and her top. She was not wearing any bra or underwear. She stood before naked. She had a dark bush and her nipples were sticking straight out. She sat down on the floor in front of me. By now, my

pecker was hard as a rock. She then said I should take off my clothes as she had more to show me. I did not think twice and stood up and took off my clothes, my cock standing straight out.

She was smiling really big and then leaned over as I stood there and took my cock into her smiling mouth. Within a few seconds I thought I was going to fall down so I told her to stop. She was making me feel were amazing. Then she laid back and spread her legs wide. I could not stop staring, my cock was getting even harder, if that was even possible, and it was dripping all over.

She asked me what I thought about what I was looking at. I told her it was very, very pretty. Ms. Schaeffer said she was glad to hear that as her husband never compliments her. She then pulled me on top of her, and guided my cock into her pussy. I really like the way her pussy felt. She told me to push into her as far as I could, which I did. Once I was in as far as I could go my cock exploded and I filled Ms. Schaeffer pussy full of my jizz.

She laughed and said that was the most amazing feeling she had ever had. She then noticed that my cock was still hard and planted deep in her. She told me to fuck her which I did till I came again. I really liked

cumming inside Ms. Schaeffer pussy and wanted to do it some more. We stayed up there till six in the evening, and then went to her house and I stayed the night.

We fucked all night and most of the weekend. I could not get enough of fucking her. I went home Sunday night and Monday morning we had to act like nothing ever happened. I never got to fuck her again but she taught me more about women than I had ever known and I was very much thankful for that. And to Henry for having an accident. Still love ya.

—Hanson, Columbus, OH

an A for sex

I'm an adjunct professor at a Florida university in the Math department. It was finals week and I had just finished grading the tests. I had an hour to turn the grades in to the Dean's office for the school's records.

Suddenly, there was a knock at my door. "Come in." I said. In walked a timid young lady, about five-foot-five with dark hair down to her shoulders. She was slim, wearing a loose-fitting blouse tucked neatly into her rough-cut denim shorts and red sneakers without any socks.

She introduced herself as Alexis, but I recognized

Dear Editors:

Man you guys sure do bring it. Well, actually the ladies bring it. That Vanessa Lane from your cover is one hot fucking chick, and an amazing fuck. She seems like a really good cocksucker and I think it's great that she can take a big cock up her ass. I haven't checked out her video yet, but I bet it'll be real hot.

Speaking of hot, I just loved the photos of Alexa in the pink top. She's looks like my neighbor, Jenny, across the street. Admittedly, I've fantasized about her and then there's Alexa; pretty close to the real thing. The rest of the ladies in the mag are pretty cute, too and I would do most of them, I appreciate the variety in women and each one brings there own sexuality to the photos. How much more can I ask than that?

—Luis, Lexington, KY

her immediately. She usually sat in the first or second row at my lectures. I asked what I could do for her. She sat down in the chair across the desk from me, and set her bag down on the floor and crossed her legs. Her leg bounced nervously. I tried to focus my thoughts on what she was saying rather than her foot. She asked me if there was any way to earn extra credit for the class, because she didn't think she had passed this semester. It would hold her back at least a year since that particular class was only held in the spring. I told her that was impossible since the grades had to be submitted by six pm today.

"Right now, young lady, you'll be getting a D. You'll have to repeat the class next year." I said. "Please professor, I just have to pass. I can't repeat the class and I need it to graduate. Isn't there anything I can do to get a passing grade from you?" she pleaded. My heart started beating quickly at these last words. They were a professor's wet dream. Naughty ideas popped into my head. She looked disappointed, so I asked if she could help me finish grading the tests before I have to turn them in. She thought about it for a second, and said if she could use that as extra credit. "Sure." I responded.

"But there's one catch," I added lowering my voice,

"I will be honest with you. If you don't know, I'm a married man and I have a bit of a foot fetish. I haven't caressed my wife's feet in over a month. If you'll allow me, I can do it while you grade the tests." She looked shocked, thought about it for a few minutes, and ultimately agreed. I organized my test papers for her to grade and gave them to her with the answer sheet.

Then I knelt at her feet and undid the laces carefully. I savored every moment of it, as I removed her pink feet from her cotton shoes. Her Toenails were painted pink. The smell of her feet being in her shoes for a couple hours wafted through me, and inflated my cock. I could feel my heart thumping from the excitement.

After ten glorious minutes of this, Alexis puts the pencil down and raises up off the chair and tiptoes to the sofa against the back wall. She lays back and I join her, kissing her heel to her arch to her toes, where I stuffed all five toes into my mouth. Alexis moaned as I ran my tongue between each of her toes, tasting every bit of her. Her right foot, which was in my lap, moved, stroking my bulging cock behind my zipper. It danced wildly in my lap, making it harder. I reached down with a free hand and undid my pants, letting my cock out. "You like that, don't you, professor?" Alexis asked with a

smile. "Oh yes..." I moaned. She wiggled her toes in my mouth, and wiggled her toes on my cock. My breathing was labored. I knew I was close. She knew that too.

Alexis pulled her feet away to put her feet together; with her knees apart and the soles of her feet touching. "My boyfriend likes this." was all she said. She slid my cock between her feet. I reflexively began to thrust my hips, watching my own cock slide along the ridges and her instep of her toes. She stared down at my cock sliding in be-

tween her arches with eager eyes. She smiled at me. "You're so hard." she said. "Yes, cum all over my toes... You know you want to..." "Oh yeahhh." "What's my grade, professor?" "C?" "Is that all my feet are worth?" she asked coyly.

"You tell me." I countered, She smiled and unbuttoned her shorts and unzipped her zipper. She slid her right hand down under her white

silk panties. Soon, she began making fuckfaces. "W-what's my grade now?..." she asked in a breathy voice. "B?" She withdrew her hand from her panties, and reaching up, touched it to my lips. I eagerly licked her fingers, tasting her warm muskiness from her digits. I pumped harder.

"Are you sure that's my grade?" "Oh hell... Anything you want..." I moaned as I knew I was reaching the point of no return. I didn't finish my sentence. I groaned and held her two perfect feet together tightly

by the ankles. I thrust my cock like a maniac and watched as pints of cum spurted from my cock so beautifully between her toes to the tops of her feet. I felt the spasms subside, and so did she. I watched Alexis gather her shoes and to my surprise, she slid on her shoes without cleaning the cum off her toes. She smiled wickedly before turning to leave. Of course, I gave her the A. Wouldn't you?

You got a cock I can suck and fuck?

Everyone knows how hot blooded Latin men are. Well, we Latinas are hot blooded too, sometimes more than our men. My guy works long hard hours and I do too, but when he's all too tired to fuck and I'm not, I gotta find someone who can handle me. Not just me, but my sizzling hot pussy and my super tight asshole. Because I have three holes to fuck, I can go all night before they are all satisfied.

I'll make your day... and night

I grew up in a sexually liberated house. My mom and dad would swim in the nude in our pool. Rarely did they close their bedroom door, and while I didn't watch, I could hear them and use my vivid imagination. So sex was always a part of my character. I love doing it and love to please me men. When they don't appreciate me anymore, then it's time to move on.

It really great when you can pick the people you want to cheat with instead of just doing it out of revenge or the spur of the moment — although those can be good times too. If you really want to get back at your guy, cheat with as many people as you can — at one time. Then if he ever finds out, there's plenty of blame to pass around. But enough of that, you're in for a real treat in the following pages. We won't give it away here.

I'll try to be subtle...
fuck my ass

Sometimes a gal's gotta do what a gal's gotta do. And if the husband can't do it, I find me someone who will. Like I discovered I liked anal sex last year when I was playing around with my dildos when my husband was away at work. When I asked him to try it on me, he did at first but decided he didn't want to do it anymore. Oh, it was okay if I gave him head five times a day, but one cock in my ass from him. No way, he'd say. Well, take a look at these photos and tell me that I don't deserve it deep in there.

I'd love some man meat – right now

I never thought I'd cheat on my husband. The vows I took meant something to me, but apparently didn't mean much to him. And since he started it, I decided I would end it. So, before the divorce, I found me a guy and did everything to him. I licked and sucked on his balls, I even licked his ass. Now that put the exclamation mark on my anger.

the ride was long and with plenty of time to kill,

• what's a foursome to do?

it was a long hard ride

My wife, Olivia and I have spent the last two years traveling the entire US> We are trying to sleep (and have sex) in every state. As of today, August 23, we have been to 44 states and fucked in 42 of them. That means we have six more to go and to revisit Delaware and Maine to complete our adventure. Some of our experiences have been adventurous and enlightening. All the different places have made us much more aware as travelers and as people. This past month we traveled from California to Seattle on Amtrak's Coast Starlight train. It was a pleasant 36+ hour ride and we got to see some of the most incredible scenery that the west coast has to offer. Olivia and I had barely claimed our cabin seats across from Lena, one of our traveling partners, before Raul stepped in and claimed the last seat.

Maryanne introduced him as a good friend and they'd be riding together. The train departed the station with a low rumble and Raul started talking in English with his heavy Spanish accent, saying it was nice to meet us, and other stuff we didn't quite make out.

Maryanne and she waved a thumbs up back to us.

Seemingly emboldened, Raul continued with some more of his exploits, this time about group sex with a flamenco dancer and her troupe in Madrid. I

Olivia would look at me now and then as Raul stumbled over some words or his accent was especially deep and humorous. Olivia grabbed my right arm as Raul looked us over with a little smirk and a twinkle in his eyes. Somehow, he drew us into conversation with him and we listened to his interesting stories. By the time we hit Santa Barbara he had gone into sex-related stories that got very daring. Both Maryanne and Olivia seemed more drawn into the conversation as we rolled along the picturesque coast.

Our travels have not only been to see the world, but to explore the sexual side of humanity as well as ourselves. I decided to tell Raul what all of us did. His eyes got wide and stayed wide until I was done. Olivia was a little embarrassed and then noticed a little stirring in his pants. I waved to

whispered in Olivia's ear to follow my lead since I was sure we could do something different with Raul.

I looked at Maryanne and then back at Raul, "If you don't mind my asking, how long has it been since you had sex?" I asked him straight out. Looking back at Maryanne, I added, "Olivia would be very pleased if you would watch." I turned to Olivia and said, "Kiss me." With that, our mouths merged. Olivia's very hard nipples told us something about the situation was turning her on. When she turned toward me, Olivia's skirt hem rose almost to panty level. Her creamy thighs were displayed just inches from Raul. I wondered how long he'd resist touching them. Curious what it would be like to fully share my beautiful young wife with such a man, I pushed her back into her seat for his viewing

pleasure. I opened all her shirt's buttons and slipped her shirt off. Olivia unsnapped her front opening bra and let it sit open. Raul kept gently and uneasily stroking her shoulder, finally

all of us. Olivia unzipped my pants and slipped her left hand inside. She moaned louder and unbuttoned my pants as Raul's teeth were tugging on her nipple, his hands free to explore

slipping her right strap off and letting the bra fall away. Now topless, both of her pretty boobs were just inches from Raul. I pinched her right nipple, pointed it at Raul, then moved to her left one. He immediately accepted the invitation to play. He slid his hand over her shoulder, down her arm then finally, lightly, onto her right breast. Her eyes popped, her mouth pursed slightly at his foreign touch, but she didn't object, so he squeezed it then rolled her nipple. Olivia arched and pressed her chest against his hand. He was enjoying every moment.

Raul was squeezing his swollen dick through his pants. Maryanne was watching this all unfold and swallowed hard. Unconsciously, she reached into her blouse and began to massage her breasts. Her surprising groan drew looks and smiles from

more of her. He slid his hands down her bared, sultry thigh to her knee, whispering in his deep accent how silky her skin felt. Olivia boldly slid my pants to my ankles. Maryanne gasped at the abrupt appearance of my rigid cock.

She boldly snapped open her bra and pulled one boob, with its very tall, dark and hard nipple, over her bra. As if trying to keep pace with the unfolding debauchery, she turned so we could all admire it. She licked it, then presented it to me as if it were an offering. Her open-mouth, short breaths deepened, her other hand lifted her skirt so we could all see her sexy, white-mesh undie. It clung to her puffy, pouty pussy below her bushy, neatly trimmed, panty clad pubes. It was translucent where her moistness seeped through.

With Olivia's skirt now up over her waist, I saw Raul cup her pussy mound with his hands as his breathing quickened. While she jerked my dick, Maryanne reached slid her hand over to unzip Raul's pants. Maryanne had stripped everything off and her clothes lay in a puddle on the floor. Not waiting for anyone, Maryanne played with her clit and pussy and jerked her nipples. Her fingers were inside her pussy and she was breathlessly, furiously, deep finger fucking her moist hole. She then spread her legs to share her swollen, soaked pussy with us. Her inner lips were folding back and forth as her fingers dragged in and out, and in and out again.

On this side, Olivia was now on her knees sucking my dick down her throat. She flipped her skirt onto her back and wiggled her ass in Raul's face. He trailed his fingers into her ass crack then spread her cheeks. Her tight little bung hole is hard to resist, and he didn't. He licked it several times before spreading her legs to admire her wet pussy from behind. Shortly his tongue was pushing into it as his nose pressed her butt hole. Maryanne got down on the floor and squeezed Raul's balls and rubbed his raging rod through his pants as he stuck his fingers into Olivia's wet pussy and lubed them for an assault on her butt hole.

Pushing it in, so one was in her pussy and one in her butt, Olivia moaned as she continued sucking my cock and balls. Without interrupting our pleasures, Raul, managed to disrobe with Maryanne's help. She then took his cock in her hands and began stroking him hard. I looked at Maryanne who was frantically rubbing herself as she stroked him; looking back and forth at the action all around me. I motioned

for her to come over, ass first. As she did, we began our orchestrated assault on four bodies at once.

Olivia released my cock from her mouth and Raul stood up with his cock right at her mouth's level. She eagerly took it in, sucked a few times and pushed it onto her belly so she could lick his balls. Matching Maryanne pace, my cock joined

To Olivia's great delight, Raul put his cock deep into her pussy. She was sitting on his cock with her backside into the room and her arms around Raul's neck. Maryanne now shifted her attentions to Olivia's clenched anus and raised Olivia's leg onto her hip to open her wider. She slid her fingers between Olivia's anus and pussy as Raul pushed back. Olivia lurched and inhaled deeply as Maryanne forced

continued to earnestly and purposefully explore her pussy. Her inner lips clung to my fingers as I pistoned them into her. She was still swollen and sensitive as I curled one finger as I searched around for her G-spot, found it, and pressed firmly on both sides of it, curling and unfurling both fingers in their V shape around her swollen, beckoning G.

I looked at Raul and motioned him to now enjoy his companion as he probably had never done. Olivia stood, breaking their coitus with a loud slurp. Maryanne's fingers withdrew and Olivia's tight butt hole tightened back to normal. Raul took his cock from my wife and I replaced it with mine. Maryanne Raul's erect cock and brought it to full attention. She looked at him straight in the eyes as she went down him again. We all watched with delight as she slurped her mouth up and down his cock. She lowered her head into his balls and sucked them furiously as she stroked him with her free hand. He continued with his finger-fucking until she trembled again with another climax. Raul could feel a climax finally cumming and he started moaning in his Spanish accent as the rest of us egged them on to full release. He exploded into Maryanne's mouth as he held her head down in his lap to take it all. She took it, lifted her head and exaggerated her swallow for our amusement.

then replaced her fingers inside her soaked pussy. As I varied my thrusting, she moaned long and low, then shuddered in a cursory climax. Her orgasm forced her to tighten around my cock. She recovered and gulped my cock into the steamed heat of her throat. That was too much for me to withstand. I let loose a low growl as I spurt hot cum onto her warm welcoming mouth. I paused as best I could, catching my breath while my now hypersensitive cock kept twitching, draining itself and finally yanking me off my seat.

her fingers into her moist butt hole. She synced her thrusts with Raul's pounding of her pussy to make Olivia lurch harder and continue building to a crescendoing moan. In minutes, Olivia exploded with a loud and barely muffled groan.

Raul and Maryanne were still fucking inside my wife's pussy and ass. I leaned down and my fingers began slowly exploring the depths of Maryanne's pussy. Eyes still closed, she moaned louder at my attentions. I wanted her to cum hard. My fingers

The train rocked us for many, many more miles. As we reached Portland, we all dressed. We wished Maryanne and Raul many happy, blissful, remembrances of our experience. They thanked us, too, as the train finally pulled into the Kings Street station and finally stopped. Now on to sample some of Seattle's delights!

I had an open relationship with my husband. We would have other lovers – with permission. Then he decided to keep doing it and not tell me. I eventually found out and so what was I to do. Why, the same thing, of course. I invited my tryst over and he agreed. We did on a big overstuffed sofa and filmed it! After we finished, I made us both dinner. The conversation at the dinner table was quite exciting.
